

**ADAMS SCHOOL  
OF DENTISTRY**

### **40<sup>th</sup> Annual Research Day Abstract Guidelines**

Abstract submission deadline: January 15, 2024

Abstracts should conform to the AADOCR annual meeting guidelines. All projects being submitted must contain original research and results. Submitted abstracts that do *not* meet the outlined requirements will not be accepted for presentation.

#### Content of the Abstract

Title (10 words or less)

Authors:

- Author Name: (the author's name should be formatted as first name followed by last/family/surname)
- Author Affiliation: (provide the institution or affiliation)
- Space is provided for additional authors/affiliations.

Abstract Body (300 words or less)

- Objectives: objectives of the investigation
- Methods: experimental methods used
- Results: essential results, including data and, where appropriate, statistics
- Conclusions: conclusions from the investigation

Funding Source(s): provide all sources of funding that supported the investigation

The abstract title, authors, affiliations, and funding source are not included in the 300-word limit.
